^{*}All new additions and changes to the previous version of the schedule are marked with a star. Group Fitness classes are free to attend with membership. See reverse side for class descriptions. For more information or to sign up for a class, visit galterlifecenter.org

CLASS DESCRIPTIONS

3D30 - 3D30 integrates strength and cardio training to build muscle, burn calories and improve agility. Dynamic music drives the energetic 30-minute workout with athletic movements and phases of high-intensity interval training. Train the way the body was designed to move.

AAE: Arthritis Foundation Aquatic Program - Water exercise geared specifically to those with arthritis. Improve joint flexibility and coordination; reduce muscle weakness and decrease pain and stiffness.

Aqua Blast - Add a little challenge, with this fun high-intensity water workout. This class includes explosive cardiovascular conditioning, upper and lower body toning benefits along with some soothing stretches. Moderate to high intensity without the joint impact.

Aqua Mix - Increase your cardio fitness, improve your strength and develop better balance and flexibility while performing exercises using noodles or buoys for a total body exercise experience.

Aqua Yoga (Arthritis Foundation) - Relaxing aquatic exercise with focus on balance and strength using traditional yoga poses in the water.

Aqua Zumba - Add high energy Latin music and movement to the basic water workout and you get Aqua Zumba. This class is appropriate for all fitness levels and requires no swimming or dancing skills.
