CLASS DESCRIPTIONS

3D30 - 3D30 integrates strength and cardio training to build muscle, burn calories and improve agility. Dynamic music drives the energetic 30-minute workout with athletic movements and phases of high-intensity interval training. Train the way the body was designed to move.

Arthritis Foundation Aquatic Program (AAE) - Water exercise geared specifically to those with arthritis. Improve joint flexibility and coordination; reduce muscle weakness and decrease pain and stiffness.

Aqua Blast - Add a little challenge, with this fun high-intensity water workout. This class includes explosive cardiovascular conditioning, upper and lower body toning benefits along with some soothing stretches. Moderate to high intensity without the joint impact.

Aqua Mix - Increase your cardio fitness, improve your strength and develop better balance and flexibility while performing exercises using noodles or buoys for a total body exercise experience.

Aqua Yoga - Relaxing aquatic exercise with focus on balance and strength using traditional yoga poses in the water.

Aqua Zumba - Add high energy Latin music and movement to the basic water workout and you get Aqua Zumba. This class is appropriate for all fitness levels and requires no swimming or dancing skills.

Barre Concepts - Fusing elements of the strengthening exercises dancers do with modern fitness concepts, Barre improves posture, balance and core strength while lengthening and sculpting the entire body.

Boot Camp - Every minute counts! Intervals of strength and cardio will take your fitness to a new level. Run, stair climb, lunge and burpee your body strong!

Chair Fitness (Arthritis Foundation) - Chair exercise that will improve your range of motion, flexibility, aerobic capacity and endurance.

Chair Yoga - A gentle form of yoga utilizing the chair for support. Chair Yoga allows greater flexibility and joint mobility through breath and relaxation techniques. Great for beginners and seniors.

Cycling and Abs - Burn calories and strengthen your legs as you ride over mixed terrain. Climb hills, sprint the flats and power through intervals to great music. Complete this workout with targeted core training. Enjoy the ride!

Gentle Yoga - This class offers a therapeutic approach to yoga with simple poses/stretches and moving at a slower pace. Gentle Yoga focuses on relaxation of the mind and body through easy breath work and restorative poses that can be done on the back, belly and in seated positions.

Group Active® - This class gives you all the fitness training you need – cardio, strength, balance and flexibility. Get stronger, fitter and healthier with inspiring music, adjustable dumbbells, weight plates, body weight and simple athletic movements. **ACTIVATE YOUR LIFE!**

Group Blast® - Cardio training that uses The STEP® in highly effective, athletic ways. It will get your heart pounding and sweat pouring as you improve your fitness, agility, coordination and strength with exciting music and group energy. **HAVE A BLAST!**

Group Centergy® - Grow longer and stronger with an invigorating mind-body workout. It incorporates yoga and Pilates fundamentals with athletic training for balance, mobility, flexibility and the core. **REDEFINE YOUR SELF.**

Group Core® - Expert coaching and motivating music will guide you through functional and integrated exercises using your body weight, weight plates, a towel and a platform – all to challenge you like never before. **HARD CORE!**

Group Fight™ - Tap into the hottest mixed martial arts movements done at a rapid-fire pace to smash your cardio fitness! From the boxing ring to the fighting cage, Group Fight combines cutting-edge moves with thrilling music. This electric experience is addictive! **FIGHT FOR IT!**

Group Groove® - Sweat with a smile during this energizing fitness class. It's a sizzling cardio experience that is a fusion of club, urban and Latin dance styles set to the hottest current hits and the best dance songs ever produced! **IF YOU CAN MOVE, YOU CAN GROOVE!**

Group Power® - Blast all your muscles with a high-rep weight training workout. Using an adjustable barbell, weight plates and body weight Group Power combines squats, lunges, presses and curls with functional integrated exercises. **POWER UP!**

Group Ride® - A cycling experience brought indoors. Roll over hills, chase the pack, spin the flats, climb mountains and sprint to the finish! Feel the thrill of energetic music and group dynamics as you get all the benefits of authentic interval training. **RIDE ON!**

Meditation - Help prep your mind, body and spirit for a healthier today and a happier tomorrow. Learn techniques to help you get through life's toughest situations.

Move 30 (previously ViPR Move) - This class is for anybody looking to improve their overall movement health, to move better, with ease and less restriction and discomfort. This could be someone looking to build their movement confidence and start an exercise program, or even an individual who is already active but needs to spend time reconditioning their body to help prevent pain or injury.

Move to Heal - Move to Heal classes are for everybody with long or short term healing goals like recovery from injury, surgery, trauma, addiction; also Parkinson's and other movement challenges. It is a mindful movement class, done to a variety of music and crafted to inform, calm, inspire, energize, strengthen, motivate and always to connect to feeling better in our bodies and our lives. Chairs are available and used.

Nia - Combines movements and concepts from yoga, martial arts and dance to improve your cardio as well as increase body awareness, endurance, flexibility and energy levels. Nia is an exhilarating mind/body dance workout that is designed to invigorate, and then relax.

Pilates Mat - These classes focus on improving strength and flexibility for the whole body without building bulk. The Pilates Method includes over 500 exercises that focus on the muscles of the abdomen, back and glutes.

R30® - This class will get you fitter and feeling better in only 30 minutes. Inspiring music and motivating coaching will get you to burn calories, improve muscular endurance and build cardio fitness as you ride with surges, short intervals, power and end with a rush. **EVERYONE FINISHES FIRST!**

Stretch and Tone - This class is geared to strengthen and stretch the body. Improve your balance, posture, muscle strength and flexibility to inspiring music.

Tai Chi Chuan - A meditative form of exercise that links the health of the body to a relaxed state of mind. It combines breathing techniques with a series of slow movements that stretch and tone the body. It is easy on the joints, improves balance and posture, reduces falls, lowers blood pressure and improves concentration.

Yoga - Designed for the student with some prior yoga experience. This class will refine alignment in the asanas and introduce advanced poses and sequenced combinations of poses. Build strength and flexibility along with developing breath control techniques (pranayama) in your practice.

Yoga Fundamentals - This class is designed with the foundation of yoga as the primary focus. It will go over the principles of yoga including breathing, asanas (poses done to increase strength, flexibility, and body awareness), diaphragmatic breathing, and relaxation techniques. All levels welcome. A great class to get started with your yoga practice.

Zumba - Dance/fitness inspired by Latin and international rhythms that is fun for all ages.
