Class Descriptions

3D30 (previously ViPR Workout): 3D30 integrates strength and cardio training to build muscle, burn calories and improve agility. Dynamic music drives the energetic 30-minute workout with athletic movements and phases of high-intensity interval training. Train the way the body was designed to move.

Level: Intermediate **Type:**   

ABC: All Body Conditioning: This circuit workout is created to challenge your body while increasing your strength and muscle tone with easily adaptable exercises.

Level: All levels **Type:**   

Boot Camp: Every minute counts! Intervals of strength and cardio will take your fitness to a new level. Run, stair climb, lunge and burpee your body strong! Monday Boot Camp has been extended to 7 a.m. participants are welcome to come for a full workout or just stay for 30 minutes!

Level: Intermediate **Type:**   

Fluidity® Barre: Create long, lean muscles using the ballet barre, bands and balls to improve functional flexibility and strengthen your whole body. Effective for all ages and fitness levels – beginner, intermediate and advanced modifications for every exercise.

Level: All Levels **Type:** 

Masters Practice: The Masters Swim team is a year-round group for adults who want to swim competitively, and who enjoy a strong team atmosphere. Each practice is led by Certified United States Masters Swimming (USMS) coaches and is specifically designed for fitness swimmers, tri-athletes and former competitive swimmers.

Level: Advanced **Type:**   

Pilates Stretch and Springs: This class incorporates traditional Pilates mat work with an emphasis on stretching and using the Pilates springs. Release tightness in the hips to help the body perform the exercises with greater ease.

Level: Intermediate **Type:**  

Power Plate Synrgy Circuit: Join us for 30-minute circuit workouts incorporating the Synrgy360, a workout station including dynamic exercise equipment for your total body, and the Power Plate, a machine that gives your muscles a high-speed workout using vibrations to stimulate them to contract and relax. Classes are designed to work your core, balance, strength and flexibility.

Level: All Levels **Type:**   

Sports Conditioning Circuit: Whether for fun or performance this class will work to develop strength, cardio, mobility, balance, agility, coordination, reactivity and power through exercises and drills on the Synrgy360. Intensity, complexity and movements can be tailored to each individual's skill and conditioning level. Great for Masters swimmers, triathletes and anyone wanting to train like an athlete!

Level: Intermediate **Type:**  

SwimFit: This class is an interval based swimming workout! It is for anyone who has a basic understanding of swimming and is looking to increase endurance, improve stroke and build on your current abilities. Ideal for anyone who wants to swim under the guidance of an instructor, but is not quite ready to join the Masters Swim Team.

Level: Intermediate **Type:**   

Tabata Boot Camp: Tabata Boot Camp is high intensity interval training with timed drills. This 45 minute class is packed with some power and punch to get the day off to a strong start.

Level: Advanced **Type:**   

Tread and Shred: An instructor led cardio and strength interval training class that will leave you sweating out the calories. You will alternate between the treadmill and strength exercises to take your calorie burn to the max!

Level: All levels **Type:**   

TRX: The TRX Suspension Trainer is a versatile tool that requires the entire body to be used as an integrated system, building strength, balance, core stability and flexibility.

Level: All levels **Type:**
